

# Band of Skulls-Fires

A B  
Baby darling, dollface honey

E A  
I don't mean to cause to worry

A B  
It's only hands in my pocket

E A  
And the queen on my money

A B  
Did you know, I've been wanting you

E A  
So keep your locks on the latches

A B  
If you bring the water

E D A  
I'll bring the matches\_\_\_\_\_

Chorus:

A D  
We are the fires in the night

D A  
We are the fires in the night

A D  
Let us bathe you in our light

D A  
We are the fires in the night

Pretty much carries on like that
