Ed Sheeran-Castle on the Hill (capo 2)

```
D                D/F#  G                    Bm   A
  When I was six years old I broke my leg
D               D/F# G                      Bm          A
  And I was running  from my brother and his friends
D            D/F#  G                      Bm                  A
  And tasted the sweet perfume of the mountain grass as I rolled down
D           D/F#  G   Bm                   A
  I was younger  then,  take me back to when I

G           A                   D
  Found my heart and broke it here
                    G
  Made friends and lost them through the years
G               A                 D                   G
  And I've not seen the roaring fields in so long, I know I've grown
G              A
  But I can't wait to go home

  D      D/F# G    Bm          A7sus4
  I'm on my   way, driving at ninety
       D          D/F# G     Bm          A7sus4
  Down those country  lanes singing to Tiny Dancer
     D      D/F# G            Bm        A7sus4
  And I miss the  way you make  me feel      and it's real
       D          D/F# G      Bm         A7sus4              D
  When we watched the  sunset over the castle on the hill
```

Fifteen years old and smoking hand-rolled cigarettes
Running from the law through the backfields and getting drunk with my friends
Had my first kiss on a Friday night, I don't reckon I did
Right, I was younger then, take me back to when we found

Weekend jobs and when we got paid
We'd buy cheap spirits and drink them straight
Me and my friends have not thrown up in so long, oh how we've grown
But I can't wait to go home

Chorus 2

```
Bm              G                    D           A7sus4
One friend left to sell clothes, one works down by the coast
Bm              G                    D       A7sus4
   One had two kids but lives alone, one's brother overdosed
Bm          G                        D            A7sus4
   One's already on his second wife, one's just barely getting by but
Bm              G                    D       A7sus4
   These people raised me and I-I-I, can't wait to go home
```
