

**Guns and Roses-November Rain** (Tune down 1/2 step to match the recorded version.)

**F** **Dm**  
When I look into your eyes  
**C**  
I can see a love restrained  
**F** **Dm**  
But darling when I hold you  
**C**  
Don't you know I feel the same  
**Dm** **G**  
Cause nothin' lasts forever  
**C**  
And we both know hearts can change  
**Dm** **G** **C**  
And it's hard to hold a candle In the cold November rain

We've been through this such a long, long time  
Just tryin' to kill the pain, oh yeah  
But lovers always come and lovers always go  
And no one's really sure who's lettin' go today, walkin' away  
If we could take the time to lay it on the line  
I could rest my head  
Just knowin' that you were mine, all mine  
So if you want to love me  
Then darlin' don't refrain  
Or I'll just end up walkin' In the cold November rain

**F** **G**  
**Do you need some time on your own?**  
**F** **G**  
**Do you need some time all alone?**  
**F** **G**  
**Everybody needs some time on their own**  
**F** **G**  
**Don't you know you need some time all alone**

**Em** **F** **C**  
I know it's hard to keep an open heart  
**Em** **F** **Dm**  
When even friends seem out to harm you  
**Em** **F** **C**  
But if you could heal a broken heart  
**Em** **F** **G**  
Wouldn't time be out to charm you oh ho ohhhhh hoo

**Chorus:**

And when your fears subside  
And shadows still remain, oh yeah  
I know that you can love me  
When there's no one left to blame  
So never mind the darkness  
We still can find a way  
Cause nothin' lasts forever  
Even cold November rain

**Chorus:**
