Will you make it sound so pretty even when it's not?
 Didn't choose but it's the only one we've got
 And sometimes I get so tired
 Of getting tired up my thoughts
 You're the only one that ever makes it stop

God, it hurts to be human
Without you I'd be losing
And someday we'll face the music
God, it hurts to be human

Em7 **D** **C** **G**
But I've got you, you, you, you, you, you (hey)
 Em7 **D** **C** **G**
And you've got me, me, me, me, too

I could buckle and preparing for the crash
 Like I'm walking down a road of broken glass
 Now if we defeat our lords and emperors
 And it was us against the world
 You could count on me
 You know I'd have your back

Oh, flaws away
If you could spend a day in my shoes
Your mind would change
If you'd known what I've gone through
We want the same (Yeah, we do)
Maybe then you'll understand
How it hurts to be human
